David M. Dillman, M.D.
Sarah C. Sturgill, O.D.

June 12, 2017

Dear Patient,

As many of you may know, I will be retiring from the field of Ophthalmology after 36 years of practicing in the Danville area. My last day in the clinic will be Friday, September 29, 2017, after which the office at 600 N. Logan Avenue will be closed. While I have thoroughly enjoyed caring for all of you and will miss the daily interaction with you and my staff, I look forward to embarking on a new chapter in my life. It's time.

To ensure the best ongoing care for my patients, I have chosen to entrust the physicians and staff at Gailey Eye Clinic with the medical records from my practice. Our optometrist, Dr. Sarah Sturgill, will be joining the Gailey team and will continue to provide care to her patients at Gailey's Danville location at 47 E. Liberty Lane starting in early September.

If you have an appointment scheduled with me on or before September 29, your appointment will remain as is. Patients with appointments scheduled after September 29 will need to call Gailey Eye Clinic at (217) 446-3937 to reschedule.

Special note for those of you scheduled to have surgery with me in June, July, and August...Your surgery was scheduled before this transition was either initiated or finalized. Please understand that I will not be available to do any postoperative care after September 29, 2017. Any postoperative care after that will be with the doctors at Gailey Eye Clinic. Please know you have every right to cancel your surgery with me. Just please give us a call, and we can refer you to a Gailey surgeon or another surgeon of your choice.

Dr. Sturgill's last day seeing patients at our 600 N. Logan Avenue location will be Friday, August 25th. Patients scheduled with Dr. Sturgill after that date will need to call Gailey Eye Clinic to reschedule an appointment at their office.

Thank you for your loyalty and confidence in me throughout the years. It has been a pleasure serving you. If you have any questions or concerns, please don't hesitate to call our office.

One quick side note... I have so enjoyed chatting with so many of you over the years about our mutual love for dogs... so in honor of my passion for all of my Newfoundland dogs, I sign this...

Newfondly,

David M. Dillman, MD
